Dear Parents,

In order to improve communication between the school district and parents, we are providing a parent portal available through the Axtell ISD website at www.axtellisd.net. This portal will allow parents to view their child's grades and attendance via the internet. Access to the portal will be password secure.

By submitting the Axtell ISD Parent Portal Release Form to the district, you are authorizing the school to post the student's grades and attendance to the portal. You will then receive an email at the email address you provided that will include your username and password.

The parent portal is available at the Axtell ISD website at www.axtellisd.net. Click on "Parent Portal" located on the left side of the page.

This website is accessed using the username and password that will be provided. Guard this password to prevent unauthorized access.

Sincerely,

Stanley Harris, Superintendent
Axtell ISD
